

Elger Bay Elementary PTA Membership

Families, Staff & Community - Together, we make a difference for our kids!

Elger Bay Elementary PTA is a group of parents, teachers, staff and community members providing programs and opportunities for our students. Additionally, EBE PTA acts alongside the Washington State and National PTAs as advocates for our children. Your annual membership gives you a voice and a vote, helps fund Elger Bay Elementary programs and events, increases EBE PTA's ability to receive grants, and can provide a setting for you to meet and interact with other parents and staff members. We hope each of choose to join or renew your membership this year!

Please fill out your information and select your membership below. This form can be returned with your payment (cash or check made out to EBE PTA) to school. Membership will last July 2014-June 2015

Name(s) _____

Address _____
